

GREAT FALLS PUBLIC SCHOOLS

VISION:

All kids are engaged in learning today ... for life tomorrow.

MISSION:

We successfully educate students to navigate the future.

WE BELIEVE:

- All students deserve teachers and staff who thrive on student success.
- Each student will have fair and equitable opportunity for quality instruction and academic success.
- All students learn when their individual needs are met.
- All students and staff learn and work best in a safe, secure, and nurturing environment.
- Highly skilled and committed personnel are our greatest asset.
- Quality education is a partnership of student, staff, family, and community engagement.
- Dedication to acknowledging, affirming, and including diversity enriches the educational experience for all.
- District resources, programs, and staff are flexible and adaptable to meet the changing needs of all students.
- A well educated community is the foundation of our democracy.
