What In January Malmstrom Air Force Base will deploy 140 team members. Many of these airmen and airwomen are moms and dads of Great Falls Public Schools (GFPS) students. The School District wishes these airmen and airwomen, and all deployed members of our military services, a productive deployment and a safe return home. As a way to honor our military community members, GFPS is sponsoring free admittance to numerous athletic events in January and February. All that is needed for free admission is a military ID. The military community members will be recognized at the events listed below.
