Realtor's Support Homeless Program

What: The Great Falls Association of Realtors will be meeting with food pantry supervisors who coordinate distribution of food and other items to students in Great Falls Public Schools. The Association of Realtors will present the Great Falls Public Schools Foundation with a check for over \$3,500 to support homeless and disadvantaged students in the district. This donation is a result of fundraising efforts by the Realtors. The gift will help to provide food, medicine, transportation, temporary housing, etc. for homeless students. Most important, the contribution will help keep students in school and give them a chance to be successful.

In addition to the financial support, the Realtors have collected over 1,000 toiletry items which will be available to disadvantaged students through school pantries. The presentation will take place at Paris Gibson Education Center during a training session for school pantry supervisors.
