2016 STEAM Exposition

What: The 2016 STEAM Exposition will feature over 200 projects encompassing 334 students and 21 community organizations. This event, along with Earth Day activities, will help inspire the next generation with the wonders of the STEAM fields (science, technology, engineering, art, and math).

For the Expo, students from K-12 will bring a project relating to STEAM and are judged by volunteer judges from the community. Students will have the opportunity to interact with approximately 40 community STEAM organizations through informational booths.

This event is free to the public. In addition to the student projects and informational booths, there will also be games, activities, concessions, and t-shirts and other related items for sale to support future STEAM expos.

When: Saturday, April 2nd, 2016
10:00 a.m. – 2:00 p.m.

Where: Great Falls High Fieldhouse
1900 2nd Avenue South

Who: Luke Diekhans, Environmental Education
Mary Rearden, Gifted Education
