

1 **1640 THE BOARD OF TRUSTEES**

2 Board Participation in Activities

3 Members of the Board, collectively and individually, are encouraged to attend school activities, social
4 functions and instructional programs at no cost to the trustees in order to view and observe such functions
5 in operation. Attendance at such programs as musical presentations, speech activities, clubs, dramatic
6 productions and athletic events, indicates interest in school affairs and provides opportunity for more
7 comprehensive understanding of the total school program. Administration will provide appropriate
8 communications to trustees to keep them informed about activities they may wish to attend.
