4  
5 School Emergencies and Closures

6  
7 The Superintendent may order closure of schools in the event of extreme weather or other  
8 emergency, in compliance with established procedures for notifying parents, students, and staff.

9  
10 The Board of Trustees is authorized to declare that a state of emergency exists within the  
11 community. A declaration issued by the Board of Trustees is distinct from any declaration in  
12 effect or previously issued by local, state or federal authorities. An emergency declaration issued  
13 by the Board of Trustees authorizes the District to take extraordinary measures to protect  
14 students and staff while delivering education services in a manner authorized by law. The  
15 method and location of instruction and related educational services shall be implemented in a  
16 manner that serves the need of students, their families, and staff and preserves the District's full  
17 entitlement of funding.

18  
19 The Trustees may order the emergency closure of schools for one (1) school day each year,  
20 without the need to reschedule the lost pupil instruction time when the closure is the result of an  
21 emergency. The -school-day closure under this subsection is not subject to the reduction in  
22 BASE aid pursuant to Section 20-9-805, MCA.

23  
24 In the event of a declared emergency, the District shall avail itself of all flexibilities allowed by  
25 law, rule, or regulation and shall be otherwise governed by the school finance laws and rules of  
26 the State of Montana. The District shall comply with auditing requirements and reserves the  
27 authority to assert its rights to manage school district funds or seek state and federal funds in a  
28 manner consistent with the full flexibility available under all applicable laws.

29  
30 If a declaration of emergency is declared by the Board of Trustees, it may later adopt a resolution  
31 that a reasonable effort has been made to reschedule the pupil-instruction time lost because of the  
32 unforeseen emergency. If the Trustees adopt the resolution, the pupil-instruction time lost during  
33 the closure need not be rescheduled to meet the minimum requirement for aggregate hours that a  
34 school district must conduct during the school year in order to be entitled to full BASE aid. At  
35 least 75% of the pupil-instruction time lost due to the unforeseen emergency must have been  
36 made up before the Trustees can declare that a reasonable effort has been made.

37  
38 For the purposes of this and related policies, "reasonable effort" means the rescheduling or  
39 extension of the District's instructional calendar to make up at least 75% of the hours of pupil  
40 instruction lost due to an unforeseen emergency through any combination of the following as  
41 outlined in accordance with Policies 2050 and 2100:

- 42  
43 a. Extending the school year beyond the last scheduled day;  
44 b. The use of scheduled vacation days in the District's adopted school calendar;  
45 c. The conduct of pupil instruction on Saturdays;  
46 d. Extending instructional hours during the school day.
