

1 **3630 Students**

2 Cellular Telephone and Electronic Signaling Device Policy

3 Student possession and use of cellular phones, pagers, and other electronic signaling devices on school  
4 grounds, at school-sponsored activities, and while under the supervision and control of District employees  
5 is a privilege which will be permitted only under the circumstances described herein. At no time will any  
6 student operate a cell phone or other electronic device with video capabilities in a locker room, bathroom,  
7 or other location where such operation may violate the privacy right of another person.

8 Students may use cellular phones, pagers, and other electronic signaling devices on campus before school  
9 begins and after school ends. Students in grades 7-12 may also use such devices during the lunch period.  
10 These devices must be kept out of sight and turned off during instruction unless authorized by teachers.  
11 Unauthorized use of such devices disrupts the instructional program and distracts from the learning  
12 environment. Therefore, unauthorized use is grounds for confiscation of the device by school officials,  
13 including classroom teachers. Confiscated devices may be returned to the student, parent or guardian,  
14 dependent upon progressive discipline at the building level. Repeated unauthorized use of such devices  
15 may result in disciplinary action.
