5 Budget and Program Planning

6

7 The annual budget is evidence of the Board’s commitment to the objectives of the instruction  
8 programs. The budget supports immediate and long-range goals and established priorities within  
9 all areas – instructional, non-instructional, and administrative programs.

10

11 Before presentation of a proposed budget for adoption, the Superintendent and Director of  
12 Business Operations, shall prepare for the Board’s consideration, recommendations (with  
13 supporting documentation) which shall be designed to meet the needs of students and the District  
14 within the limits of anticipated revenues.

15

16 Program planning and budget development shall provide for staff and community participation  
17 and the sharing of information prior to action by the Board.
