9 The period of the school fiscal year affected by the declared public health emergency shall be the
10 longer of the portion of the school fiscal year covered by an emergency declared by the
11 President, Congress, Governor, Montana Legislature, State or County Health Department or the
12 portion of the school fiscal year identified in the Board’s declaration of an emergency. The
13 District shall avail itself of all flexibilities allowed by law, rule, or regulation and shall be
14 otherwise governed by the school finance laws and rules of the State of Montana. The District
15 shall comply with auditing requirements and reserves the authority to assert its rights to manage
16 school district funds or seek state and federal funds in a manner consistent with the full
17 flexibility available under all applicable laws.
