

5 Distribution and Posting of Materials

7 The distribution of materials from outside the school system uses a considerable amount of
8 valuable educational time. This time is taken away from students, teachers, and the clerical staff.

9 The distribution of flyers/materials through Wednesday envelopes is reserved for GFPS
10 sponsored events.

12 It is the District's policy to electronically post community sponsored flyers that follow these
13 guidelines:

- 15 A. The flyer or announcement must be for student and family related events only.
- 16 B. Flyers will be maintained on a weekly basis.
- 17 C. The information must be non-religious and non-political.
- 18 D. The information may not include: alcohol related logos, promote the use of drugs,
19 alcohol, tobacco, and no alcohol can be served at the event.
- 20 E. The information or flyer cannot contain disruptive, libelous or obscene information.
- 21 F. Only fundraisers for schools or school-support organizations will be approved for
22 electronic posting.

24 All organizations must have the approval of the Superintendent or designee before materials may
25 be electronically posted.
