

The Great Falls Public Schools is beginning the process of accepting Statements of Qualifications (SOQ) proposals for **Professional Electrical Engineering** adviser/consultants for the school years 2017 thru 2021. The District's Electrical adviser/consultant will assist the District on an as-needed basis on upcoming projects.

It is anticipated that the projects in 2017 thru 2021 will include building renovations and increased capacity building additions. Specific Electrical projects are anticipated to include those identified in the Facilities Strategic Plan for replacement/upgrade of lighting and electrical systems. In addition, changes necessary to accommodate deferred maintenance, classroom power and technology support requirements. This work shall be of a limited scope and service.

The **Electrical Engineer adviser/consultant** will be paid on an hourly basis for each type of employee utilized, the hourly fee structures will be negotiated after the selection process has identified the successful firms. The District will first call on its Electrical adviser/consultants for any work it needs, but reserves the right to seek additional assistance at any time.

Late Submittals will not be accepted.

Selection Process

Submissions will be assessed by a District appointed committee on the following objective/subjective scale. A maximum of four candidates with the highest numeric scores may be "shortlisted" and invited to interview at the District's facility with the selection committee. Unsuccessful candidates will be notified immediately after the selection process is complete. After the interviews, the District will enter negotiations with the highest ranked candidate/candidates. If negotiations are successful, the other candidates will be informed immediately. If negotiations are unsuccessful with the highest ranked candidates, the negotiations will be terminated and start anew with the subsequent ranked finalists and thus, until a suitable agreement can be reached.

Depending on the number and quality of submittals received, the District reserves the right to make the selection of the preferred firm/firms based on the submittal information alone and may decline to conduct the interview stage of the selection process.

Numerical Evaluations and subsequent selection of written submittals per MCA 18-8-204:

1. Experience with projects of similar size and scope in this region 25%
2. Key team member qualifications and experience 20%
3. Capability to meet time and project budget requirements 20%
4. Local professional resources to be utilized for this effort 25%
5. Recent and current work for Great Falls Public Schools 5%
6. Current and projected workloads 5%

Depending on quantity/quality of the submittals, a maximum of up to three (3) firms may be selected to assist the District.

All questions must be submitted via email to Mr. Brian Patrick- brian_patrick@gfps.k12.mt.us
