Neighborhood Update Flyer – Senior Parking Lot Closure

Project: Great Falls High School Expansion and Renovation

Hello Neighbors,

This is to inform you of some upcoming construction work that will affect parking around GFHS. From April 8th through the end of August the parking lots will be shutdown to install utilities, regrade & pave, using a phased approach that keeps some parking lots, but not all parking lots open. Phase 1 will start Monday April 8th on the senior lot. Please be aware that Sletten and the schools are working on temporary, limited parking in various locations on campus but more cars will be parking on neighborhood streets. GFHS drivers are being encouraged to carpool and are being reminded, daily, to practice safe driving habits. We thank you for your patience as we work through the construction process

Thank you for your time and Go Bison.

Sincerely,

Brandon Frick
Project Engineer
