Neighborhood Update Flyer – Ally Work

Project: Great Falls High School Expansion and Renovation

Hello Neighbors,

The alley between 2<sup>nd</sup> Ave S and 3rd Ave S will have crews from Northwestern Energy doing electrical line work. There will be some equipment digging and boring to provide a new electrical service to GFHS under 20<sup>th</sup> Street.

All of this work will take place at the west end of the ally. It is anticipated that this will be done sometime during the week of July 23<sup>rd</sup> but being as it is NWE work, we are not guaranteed a date.

Please call with any questions or concerns.

Thank you for your time and Go Bison.

Sincerely,

Matt McCullough  
Project Manager
