

Healthy Habits Bingo Challenge 2021

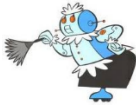

Begins: January 8, 2021 Ends: January 29, 2021

21 days to complete the challenge!

This challenge was designed to encourage participants to try a variety of activities to improve well-being. It is a fun way to experience and learn new ways to live a healthier, happier lifestyle. Simply complete the activities as you are able.

The rules are easy:

- Complete as many healthy activities as you can during the month. Record the dates of completion.
- Just like bingo, you “win” by completing five activities in a row – vertically, horizontally or diagonally.
- To be eligible for one of the 4 \$25 cash prizes drawn at the end, **complete at least 3 rows/columns.**
- Go for a **black out** and get your name in the cash drawing an extra time!
- Near the end of the challenge, there will be a link in Wellness Wednesday that will direct you to a google doc. The doc will ask you a few questions to validate or verify your participation.
