

Great Falls Public Schools

Good Apple Award Recipients

Mark Dockter, Custodian, C. M. Russell High School, was recommended for a Good Apple Award by Christi Virts, Health Enhancement Teacher, C. M. Russell High School, because of the following: Mark Dockter shows true dedication and excellence in his job at Great Falls Public Schools. Mark was a hard worker long before the COVID cleaning protocols were implemented, but stepped it up even more this year to assure students and staff at CMR High School were safe. He NEVER takes shortcuts and goes beyond his custodial duties making sure his classrooms and “run” are always looking the best they possible can. Mark is super attentive to the needs in his area, so it is not necessary to ask for refills of paper towels, hand sanitizer, or cleaning spray because he has already met those needs. Lastly, he shows his Rustler Pride by being a team player and always pitching in to help, especially to benefit students. I am proud to work alongside Mark Dockter and cannot think of a more deserving candidate of a Good Apple Award.

Christine Lander, Math Teacher, Leesa Halcro, Social Studies Teacher, Kandi Patton, English Teacher, Jean Falcon, Science Teacher, Jacie Schoenen, Counselor, and Anita Ranieri, Associate Principal, all North Middle School, were recommended for a Good Apple Award by Kelani Lewis, Parent, because of the following: Thank you to all of my daughter's teachers, counselors, and administrators. My daughter is a remote learner who is served by a 504 plan. This year, this group of teachers went above and beyond, helping my daughter succeed in her remote learning. I am not confident in my technology skills and the teachers stepped in and they deserve recognition.
