Ironbear, Indian Ed Youth Development Specialist, East Middle School, was recommended for a Good Apple Award by Trisha Hasselstrom, Library/Media Assistant, East Middle School, because of the following: TJ is one of those people that you can always count on to give you a smile when you need one. He is always ready to help out when an extra hand is needed and delivering things to students when there is a need. Recently he has gone the extra mile to help get late items returned to East Middle School. TJ is greatly appreciated for his dedication to his job, the students he helps, and the staff he works with.
