2 Indoor Air Quality

3 The health, comfort, and learning environment of students and staff are important aspects of Great Falls
4 Public Schools mission. An Indoor Air Quality (IAQ) Management Plan for the district will establish the
5 criteria to monitor and identify air quality issues in individual buildings. Recommendations to improve and
6 remedy the deficiencies will be included in the overall district facilities maintenance plan.

7 The objectives of the IAQ Management Plan are to address indoor air pollution through awareness,
8 preventive measures such as routine maintenance activities, periodic building inspections, and staff
9 training.
