

1 **8451 NON-INSTRUCTIONAL OPERATIONS**

2 Naming of Buildings and Grounds

3 Buildings and grounds or any part thereof shall not be named for any living persons and shall not be named
4 for deceased persons until five (5) years after such person's death.

5 The Board may make an exception to the above in response to the request of a significant donor or
6 sponsor, provided that the requested name is not that of a current employee of the school district or a
7 public official currently holding an office with influence on the operations of the school district.

8 The Board directs the Superintendent to appoint a standing committee, to include representation from
9 staff members, parents, students, community members, and trustees, to discuss and evaluate any
10 proposal to name district buildings and grounds or any part thereof. The committee will make a
11 recommendation to the Board. The Board will make the final decision.

12 The Board of Trustees reserves the right to revoke naming designations.
